Re: Minor Modification of the January 8, 2018, Federal TSCA Approval to Treat and Commercially Store PCBs, Hydrodec of North America, LLC; EPA ID#: OHR000143263

Dear Ms. Mattingly:

On October 19, 2021, the U.S. Environmental Protection Agency received a letter from Hydrodec of North America, LLC (Hydrodec) with information regarding a change in the percent ownership of the Hydrodec facility located at 2021 Steinway Blvd. SE in Canton, Ohio. Specifically, Hydrodec Inc. used to own 57.35% and G&S Oil Recycling, LLC used to own 42.64% of the Hydrodec facility. Hydrodec, Inc. now owns 100% of the facility.

This letter serves as a minor modification to Hydrodec's January 8, 2018, Federal Toxic Substances and Control Act (TSCA) Approval to Treat and Commercially Store polychlorinated biphenyls (PCBs). The definition of owner in the Definitions and Acronyms section of the Approval shall now be the following:

"Owner" means Hydrodec, Inc. with 100% ownership.

If you have questions, please contact Lisa Graczyk, of my staff, at (312) 353-3219.

Sincerely,

Tammy Moore  
Manager  
Land and Chemicals Branch
